RE: Thank Yous from Salisbury Christian School

Dear John:

A few months back I asked you if you might have some scrap wire that you would make available to an art class at Salisbury Christian School. You were kind enough to supply quite a bit of that wire.

The students in the class made a number of sculptures, and I guess they are going to be doing this for years to come. My wife is their art teacher and she gave me a number of Thank Yous prepared by the children, which are enclosed. She asked that I convey these to you with her thanks and mine.

Very truly yours,

Andrew C. Mitchell Jr.

Dear Mr. McIntyre,

Thank you so much
for the wires. We had a lot of fun
with them. I was very nice
to donate them to us. Thanks

again 😊

Love,
Hannah R.

Dear Mr. McIntyre,

I had a fun time making a wire
sculpture. Thank you for the donation.
I made a swing.
